EXPERIENCE

Edo State Skills Development Agency, Benin-City, Nigeria —
Front-End Developer

MAY-JULY 2021

- [ ] Implemented component-based coding pattern using ReactJs in order to improve page speed and load time.
- [ ] Designed and implemented promotional landing pages to boost marketing for the government programs ensuring a wide reach
- [ ] Worked closely with a senior developer to implement these tasks using Django, MongoDB, and ReactJS.

HNG Internship, Lagos, Nigeria —
Front-End Developer Intern

MAY-AUGUST 2020

- [ ] Collaborated closely with the Front End team to deliver pixel-perfect landing pages from Figma Designs which were compiled and sold as themes on ThemeForest.
- [ ] Developed and maintained websites utilizing HTML5, CSS 3, Bootstrap 4, JavaScript, jQuery, AJAX, and PHP to learn how to use HTTP/HTTPS to connect the frontend to the backend.

EDUCATION

The University of Benin, Benin-City, Nigeria — *Computer Science*

2017 - PRESENT
